

As we celebrate **Women's History Month**, we're proud to spotlight a **women-owned brand** that represents entrepreneurship, impact, and community.

**The Bites Company**<sup>®</sup>

**The Bites Company** is a proudly women-owned bakery recognized by the Women's Business Enterprise National Council (WBENC), highlighting its role in supporting and advancing women-led businesses. Based in Bridgeport, Connecticut, this innovative company reimagines traditional Italian biscotti into modern, round, bite-sized "twice-baked" cookies crafted with simple, organic ingredients.

Their signature **Biscotti Bites** deliver a crispy exterior with a smooth, melt-in-your-mouth center, offered in flavors like Almond, Brown Butter, Chocolate, Lemon, and Key Lime, all made in a peanut-free, soy-free, low-sodium facility with organic and kosher certifications.
