

## Pocky Cookie Sticks

Pocky Cookie Sticks are crisp, lightly sweet biscuit sticks coated in smooth chocolate or flavored cream, creating a satisfying contrast of crunch and creaminess. Their slim shape and variety of flavors make them a playful, shareable snack that's easy to enjoy anytime.

## Funyuns

Funyuns are a classic crunchy snack known for their bold onion flavor and distinctive ring shape, made from cornmeal and seasoned for a savory punch. Their light, airy crunch and unmistakable taste have made them a longtime favorite for snacking straight from the bag or pairing with dips.

## Maxine Heavenly Cookies

Maxine's Cookies is a beloved local bakery known for its rich, homemade cookies baked fresh with high-quality ingredients and classic recipes. From soft, chewy favorites to seasonal specialties, Maxine's delivers comforting treats that feel nostalgic and indulgent in every bite.

## Uglies Kettle Chips

Uglies Chips is a snack brand known for turning "imperfect" or misshapen potatoes into tasty, crunchy chips, helping to reduce food waste. Many of their chips are vegan and gluten-free, offering a flavorful snack while promoting sustainability.

## Barebell Protein Bars

Barebells is a Swedish brand known for its protein bars and functional snacks, offering both dairy-based and plant-based options to support active lifestyles. While some of their products are vegan and gluten-free, most are not keto-friendly, and the company is not women-owned or based in the U.S.

## South Forty Pistachio Nut Bar

South Forty's pistachio bar is a simple, crunchy nut snack made primarily with whole roasted pistachios, lightly sweetened with a touch of honey and a bit of sugar for a balanced, nutty-sweet flavor. These bars focus on high-quality, minimally processed ingredients (about 65 % pistachios) and deliver a satisfying on-the-go snack with plant-based energy and protein. They're gluten-free, non-GMO, and dairy-free, offering a wholesome alternative to traditional sweet bars.

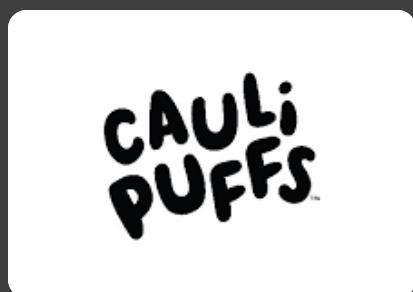

## Perfect Bar Mini PB&J

Perfect Bar Peanut Butter & Jelly is a refrigerated protein bar that puts a wholesome spin on the classic sandwich, combining organic peanut and cashew butters with real fruit spread and organic honey. These gluten-free bars are made with minimal, whole-food ingredients (including 20+ superfoods like quinoa, oats, and seeds) and provide a nutritious, flavorful snack with a bit of protein and natural energy.

## TRUBAR Whipped Key Lime Bar

**TRUBAR Plant Based Protein Bar Whipped Key Lime** is a plant-based protein bar with a tangy, dessert-inspired **Key Lime Pie** flavor and a creamy, whipped texture that makes it feel like a treat rather than a typical protein snack. It delivers about **190 calories and 12 g of plant protein** per bar while being made with simple, vegan ingredients and designed for on-the-go enjoyment.

## Caulipuffs White Cheddar

**CauliPuffs Puffed Snack White Cheddar** is a light, crunchy puff snack made from a blend of cauliflower, rice, and corn with a white cheddar cheese flavor, offering a gluten-free alternative to traditional cheese puffs. They're baked (not fried), made with non-GMO ingredients and avocado oil, and are designed as a gluten-free, savory snack option with real cheese taste.

## Kind Dark Chocolate Nut Bars

Kind Bars are a popular brand of snack bars made with whole, minimally processed ingredients like nuts, fruits, and whole grains. They are marketed as a healthier alternative to traditional candy bars, often highlighting their protein and fiber content while keeping added sugars relatively low. Known for their distinctive transparent packaging, Kind Bars emphasize both taste and nutrition, appealing to health-conscious consumers on the go.
