

Catalina Crunch

Catalina Crunch is a modern snack brand founded by Krishna Kaliannan that creates low-carb, keto-friendly, plant-based cereals and snacks designed to offer a healthier, high-protein alternative to traditional sugary breakfast and snack foods.

Siete Chips

Siete Foods is a Mexican-American, family-founded and women-led brand known for its grain-free, gluten-free tortilla chips and snacks inspired by traditional flavors. The company crafts its products to be inclusive of a wide range of dietary needs while honoring its cultural roots.

Gimme Seaweed

Gimme Seaweed is a women- and minority-owned snack brand based in Northern California that specializes in 100% vegan, gluten-free, and keto-friendly roasted seaweed snacks. The company focuses on creating healthy, flavorful snacks while promoting sustainability and clean eating.

Lesser Evil

LesserEvil set out to create the “cleanest snacks in the world,” using organic ingredients and oils like coconut or avocado instead of industrial seed oils. Its Buddha Bowl line embodies the brand’s simple, sustainable ethos. With bold transparency and better-for-you formulas, the company has become a leader in mindful snacking.

Oh Snap

A brineless, timeless, better for you snack. Perfectly crisp for a satisfying crunch and packed with a dilly flavor. We source +80% of our produce from local farms. The best are hand-selected to ensure exceptional quality. After brining and chilling, they emerge as Oh Snaps.

Pocky Cookie Sticks

Pocky Cookie Sticks are crisp, lightly sweet biscuit sticks coated in smooth chocolate or flavored cream, creating a satisfying contrast of crunch and creaminess. Their slim shape and variety of flavors make them a playful, shareable snack that's easy to enjoy anytime.

Wilcox

Like all Wilcox eggs, our Hard Boiled Eggs are Humane Farm Animal Care Certified and free from hormones and antibiotics. Convenient. Delicious. A treat for any time of day. Wilcox Hard Boiled Eggs are packed with protein and make an excellent healthy snack.

Maxine Heavenly Cookies

Maxine's Cookies is a beloved local bakery known for its rich, homemade cookies baked fresh with high-quality ingredients and classic recipes. From soft, chewy favorites to seasonal specialties, Maxine's delivers comforting treats that feel nostalgic and indulgent in every bite.

Uglies Kettle Chips

Uglies Chips is a snack brand known for turning "imperfect" or misshapen potatoes into tasty, crunchy chips, helping to reduce food waste. Many of their chips are vegan and gluten-free, offering a flavorful snack while promoting sustainability.

Barebell Protein Bars

Barebells is a Swedish brand known for its protein bars and functional snacks, offering both dairy-based and plant-based options to support active lifestyles. While some of their products are vegan and gluten-free, most are not keto-friendly, and the company is not women-owned or based in the U.S.

Unreal

UNREAL Snacks is a **Boston-based better-for-you chocolate brand founded in 2011** by brothers Nicky and Kristopher Bronner and their father, Michael Bronner, with a mission to **"unjunk the world"** by reimagining classic candy with **real ingredients and significantly less sugar**. Known for products like peanut butter cups, coconut bars, and chocolate-covered pretzels, UNREAL avoids artificial dyes, flavors, and preservatives while delivering indulgent taste, and is now sold in **30,000+ retail locations nationwide**.

Artisan Tropic

Artisan Tropic is a **family-owned snack brand founded in 2014** that specializes in **plantain and cassava-based chips inspired by Colombian flavors and heritage**, using simple, clean ingredients sourced directly from smallholder farmers in Colombia. The brand is known for its **seed-oil-free, gluten-free snacks and commitment to regenerative agriculture and fair farming practices**, connecting better-for-you snacking with positive impact on rural communities.

STELLAR

Stellar Snacks

Stellar Snacks is a **woman-owned pretzel brand founded in 2019 by mother-daughter duo Elisabeth and Gina Galvin**, known for baking **artisanal, vegan, and non-GMO pretzels from scratch** in their family bakeries. The brand stands out for its bold flavors, sustainably sourced ingredients, and artist-designed packaging, and has quickly expanded to **nationwide retail distribution and major airline snack programs** while staying rooted in creativity, quality, and community impact.

BARNEY
- BUTTER -

Barney Butter

Barney Butter is a **California-based almond butter brand founded in Fresno** that's known for its uniquely smooth, no-stir texture achieved by blanching (skin-removing) almonds before grinding. Made with **locally sourced California almonds** in a dedicated peanut-free facility, Barney Butter products are **Non-GMO verified, gluten-free, and allergy-conscious**, appealing to consumers seeking clean, premium nut butters with consistent flavor and texture.

sunnie

Sunnie

Sunnie Snacks is a California-based, mom-founded snack brand launched in 2020 that creates organic, plant-forward snacks designed for kids and families, offering familiar flavors with cleaner, more thoughtful ingredients. Founded by Lissette Howard and Katy Lucker, Sunnie focuses on making nutrition fun, convenient, and guilt-free, with products approved by pediatric nutritionists and increasingly available in major retailers like Target and Whole Foods.

Wonderful

Wonderful

Wonderful Snacks, best known for **Wonderful Pistachios** is a flagship brand of **The Wonderful Company**, producing California-grown pistachios harvested from its own orchards in the Central Valley and roasted into a wide range of flavored and in-shell snacks. Positioned as a **better-for-you snack**, Wonderful emphasizes plant-based protein, fiber, and sustainable farming practices, helping transform pistachios from a commodity nut into one of the best-selling snack nuts in the U.S.

The Realsy logo features the word "realsy" in a bold, brown, lowercase, sans-serif font.

Realsy

Realsy makes simple, clean-ingredient snacks — like organic Medjool dates filled with peanut or nut butter and sometimes cacao — that are vegan, gluten-free, non-GMO, and free from dairy, soy, seed oils and artificial additives. Their products are ideal for plant-based or allergen-conscious eaters looking for a naturally sweet, whole-food treat.

Gr8nola

Gr8nola is a **California-based superfood granola brand founded in 2013 by former Olympic Trials swimmer and ex-techie Erica Liu Williams**, created to deliver clean, great-tasting granola without refined sugar. Known for its bold flavors made with functional ingredients like turmeric, matcha, cacao, and chia, Gr8nola focuses on **low-sugar, nutrient-dense recipes made with organic virgin coconut oil**, and has built a strong following among wellness-minded consumers and tech companies alike.

The Cocojune logo features the word "cocojune" in a bold, blue, lowercase, sans-serif font.

CocoJune

Cocojune products are premium, organic, dairy-free yogurts and spreads made from cultured coconut, known for their ultra-creamy texture and science-backed probiotic strains that support gut health. Made with a minimal ingredient list and no dairy, soy, or artificial thickeners, Cocojune positions itself as a clean-label, plant-based alternative that feels indulgent while staying nutrient-focused and environmentally conscious.

The Fruit for Thought logo features the words "FRUIT for THOUGHT" in a purple, sans-serif font, with a green leaf icon above the word "for".

Sigona's Fruit for Thought

Fruit For Thought by **Sigona's** is a **California-born snacking brand** specializing in **premium dried fruit and fruit-and-nut snacks** made with simple, recognizable ingredients and **no added sugar or preservatives**. Built on Sigona's long-standing commitment to quality sourcing, the brand offers **single-ingredient dried fruits and thoughtfully balanced mixes** designed for everyday, feel-good snacking at home, work, or on the go.

The Good Culture logo features the word "good" in a large, blue, lowercase, sans-serif font, with the word "CULTURE" in a smaller, blue, uppercase, sans-serif font below it.

Good Culture

Good Culture snacks center on **clean-label, protein-forward cultured dairy**, best known for their **single-serve cottage cheese, sour cream, and cream cheese snacks made with simple ingredients and live probiotic cultures**. The brand focuses on **pasture-raised dairy, no artificial preservatives, and minimally processed recipes**, positioning its snacks as satisfying, gut-friendly options for everyday healthy eating.

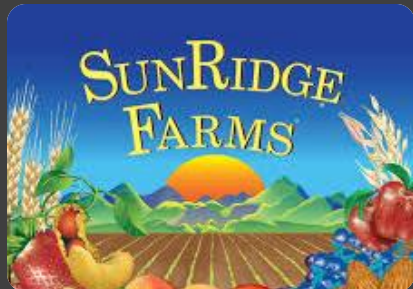

S'noods

S'NOODS is a chef-founded snack brand that reimagines pasta into light, crunchy "noodle chips" inspired by global flavors, including Rigatoni Basil Pomodoro and Spicy Miso Ramen. Founded by Lauryn Bodden, winner of Netflix's *Snack vs. Chef*, the brand focuses on vegan, gluten-free recipes made from alternative flours and bold seasonings that bring comfort-food nostalgia to the snack aisle.

Poshi

Poshi snacks are **Mediterranean-inspired, single-serve olive snacks** designed for convenient, better-for-you snacking on the go. Made from **premium pitted olives and marinated vegetables**, Poshi products are **vegan, gluten-free, low-carb, and keto-friendly**, with no artificial preservatives and mess-free packaging.

SunRidge Farms

SunRidge Farms is a **family-owned California brand** that has been producing **organic and all-natural snacks since 1982**, with a broad lineup that includes trail mixes, nuts, seeds, dried fruit, granolas, and confections. Based in **Royal Oaks, California**, the brand is known for its commitment to **clean ingredients, certified organic options, and bulk-friendly formats**, making wholesome, accessible snacking a core part of its mission.

South Forty Snacks

South FortySnacks is a **Seattle-based, seed-and-nut snack brand founded in 2018**, originally focused on premium giant sunflower seeds and now expanded to crunchy nut bars made with just 4–7 simple ingredients like whole nuts and a touch of honey. The company focuses on **clean, thoughtfully sourced ingredients**, minimally processed recipes, and transparent packaging, positioning its snacks as wholesome, naturally satisfying options rooted in nature.

Sabra

Sabra is best known for its **Middle Eastern-style dips such as hummus and guacamole** manufactured in New York and Virginia. The brand offers a variety of refrigerated snack packs like **Snackers** cups with hummus or guacamole paired with pretzels or tortilla chips, and is recognized for *Non-GMO Project Verified*, *kosher*, *vegetarian*, *vegan*, *gluten-free*, and *clean-label* products.

Mamame Tempeh

Mamame is a mother-daughter-founded snack brand by Liz Kang and Alvina Chun that transforms fermented black-eyed pea tempeh into crunchy, kettle-cooked chips using just plant-based ingredients like tapioca flour and coconut oil, evoking a home-cooked, heritage-rooted approach. Their tempeh chips are vegan, gluten-free, soy-free, and dairy-free.

Wholesome
bakery

Wholesome Bakery

Wholesome Bakery is a plant-based bakery brand known for its vegan, gluten-free treats made without refined sugar, dairy, eggs, or soy. Its products—like cookies, cakes, and brownies—focus on simple, sustainably sourced ingredients, offering indulgent baked goods that aim to be both delicious and better-for-you.
