

LOCAL

WOMEN OWNED

Tate's Bake Shop

Tate's Bake Shop began when founder Kathleen King started selling cookies at her family's Long Island farm stand at just 11 years old. Her crisp, buttery cookies quickly developed a cult following. Today, the beloved women-founded brand is known nationwide for its signature thin-and-crunchy style.

WOMEN OWNED

Stacy's

Stacy's started as a Boston sandwich cart where founder Stacy Madison handed out leftover pita chips to customers waiting in line. The chips became more popular than the sandwiches themselves, inspiring her to turn them into a business. The women-founded brand grew into one of the biggest names in better-for-you snacking.

VEGAN

GLUTEN-FREE

Hippeas

Hippeas is a plant-based snack brand that helped popularize chickpea puffs in the natural-foods world. Its bright personality and clean-ingredient focus made it a fast-growing favorite. A boost from early investor Leonardo DiCaprio brought the brand major visibility and cultural cachet.

Clif Bar

Clif Bar was born during a long bike ride when founder Gary Erickson realized existing energy bars tasted like "damp cardboard." Determined to make something better, he created his own recipe and named the company after his father, Clif. The brand's legend includes Erickson turning down a massive \$120 million acquisition offer.

VEGAN

GLUTEN-FREE

Certified

Corporation

MadeGood

MadeGood snacks are crafted in a dedicated facility free from the top eight major allergens, making them a go-to choice for school-friendly snacking. Family-run and organic, the brand is committed to both safety and sustainability. It's one of the rare snack companies trusted by parents, teachers, and dietitians alike.

VEGETARIAN

Sahale

Sahale was founded by two Seattle climbing friends who were tired of bland trail mix on their adventures. They began creating gourmet nut blends inspired by global flavors, from Thai chili to pomegranate pistachio. The brand helped redefine what premium trail snacks could be.

VEGETARIAN

VEGAN

GLUTEN-FREE

Terra Chips

Terra Chips was created by two NYC chefs who wanted to elevate the simple chip with color, flavor, and culinary craftsmanship. By using root vegetables like taro, sweet potato, and beet, they developed a signature rainbow chip that stood out in gourmet markets. The chef-driven approach remains core to its identity.

VEGETARIAN

GLUTEN-FREE

Deep River Snacks

Deep River Snacks is a mission-driven chip brand that features a different charity on each flavor. Many of the causes are connected to the founders' families and personal experiences. Every purchase helps support the organization printed right on the bag — snacking with purpose.

GLUTEN-FREE

Lesser Evil

LesserEvil set out to create the “cleanest snacks in the world,” using organic ingredients and oils like coconut or avocado instead of industrial seed oils. Its Buddha Bowl line embodies the brand's simple, sustainable ethos. With bold transparency and better-for-you formulas, the company has become a leader in mindful snacking.

EverBar

EverBar Chocolate Wafers were created by two immigrant brothers who spent nearly a year perfecting a European-style wafer bar with better ingredients. The result is a light, crispy dark-chocolate treat that offers a richer cocoa profile and lower sugar than many traditional wafer snacks. Designed as a grab-and-go indulgence, it pairs perfectly with coffee or tea for a nostalgic yet elevated bite.

Artisan Tropics

Artisan Tropic is a family-owned snack brand inspired by Colombian roots, known for simple, whole-food plantain and cassava snacks. Their products are naturally vegan, gluten-free, Non-GMO, and made without seed oils. Fun fact: the company partners with small farmers in Colombia and supports regenerative agriculture practices.

Stellar Snacks

Stellar Snacks is a mother-daughter-founded snack company making vegan, non-GMO, kosher pretzels baked from scratch in Nevada. Their snacks are dairy-free, peanut-free, free of artificial flavors/MSG, and the brand recently added a grain-free / gluten-free.

Country Archer Beef Jerky

Country Archer makes beef (and turkey/pork) jerky and meat sticks using 100% grass-fed, grass-finished meats and simple, clean ingredients — with no nitrates/nitrites, no preservatives or MSG, and many products gluten-free and keto-friendly.

Muddy Bites

Muddy Bites takes the nostalgic “last bite” of a sundae cone — filled with chocolate at the bottom — and packages it as a crunchy, chocolate-filled mini waffle-cone snack. The company emphasizes fun, simple ingredients and markets these treats as GMO-free and kosher-certified, aiming to deliver that classic cone finish in a snackable form.

Allergy SmartCookies

Allergy Smart makes baked-goods and snacks that are free from the top 10 common food allergens including gluten, dairy, eggs, nuts, soy, and shellfish, and are entirely vegan, non-GMO, and gluten-free. Their individually wrapped cookies and brownies are crafted to offer a “safe for all” snack option.

Clif Bars

Clif Bars are energy bars designed to provide sustained fuel, especially for active lifestyles. Made with ingredients like oats, nuts, and chocolate, they offer a mix of carbohydrates, protein, and fiber. They're a convenient option for pre- or post-workout fuel or a quick snack on the go.

Cooper Street Oatmeal Bars

Cooper Street Snacks offers wholesome, baked snacks like cookies and granola bakes made with simple ingredients. Their products are often lower in sugar and made without artificial additives, appealing to health-conscious consumers. Many options are also allergy-friendly, including nut-free varieties.

Drizzilicious

Drizzilicious snacks feature mini rice cakes drizzled with chocolate or flavored coatings for a sweet and crunchy treat. They combine indulgent taste with portion-friendly sizing, making them a lighter alternative to traditional desserts. Many varieties are gluten-free and made with whole grain rice.

Gimme Seaweed

Gimme Seaweed produces organic roasted seaweed snacks that are light, crispy, and packed with umami flavor. Their products are plant-based and often seasoned with simple ingredients like sea salt or teriyaki. They're a popular low-calorie option that also provides nutrients like iodine.

Hals New York Kettle Chips

Hal's Kettle Chips are known for their bold flavor and extra crunchy texture from kettle cooking. The brand focuses on simple ingredients like potatoes, oil, and salt, delivering a classic snack experience. They're a popular choice for those who enjoy a hearty, savory chip with minimal processing.

Justin's Dark Chocolate PB Cups

Justin's Nut Butter products are made with simple, high-quality ingredients like peanuts or almonds, often blended using a unique grinding process to create a smooth, rich texture and flavor. They are known for being **gluten-free, non-GMO, and largely plant-based**, with many options providing a good source of protein and healthy fats for convenient, on-the-go energy.

Pop Corners

PopCorners are crunchy, popped-corn snacks shaped into triangular chips, made from simple ingredients like corn, oil, and seasoning. They deliver a hearty crunch and come in both savory and sweet flavors, including kettle corn and white cheddar. They're positioned as a wholesome alternative to traditional chips and crackers.

Quaker Oatmeal

Quaker Oatmeal is a classic breakfast staple made from oats, known for its heart-healthy benefits and versatility. It can be prepared quickly and customized with ingredients like fruit, nuts, or sweeteners. The brand offers a wide range of options, from traditional oats to flavored instant packets.

Quest Protein

Quest Protein produces bars, chips, and snacks designed to be high in protein and low in sugar. Their products are popular among fitness-focused consumers looking for convenient ways to support muscle recovery and satiety. Many items are also formulated to be low-carb or keto-friendly.

Realsy PB Dates

Realsy Dates offers nutrient-dense date-based snacks that highlight the natural sweetness and energy of whole dates. Their products often feature simple ingredients and provide a good source of fiber and natural sugars. They're positioned as a wholesome alternative to traditional sugary snacks.

Sabra

Sabra hummus snacks combine creamy hummus with dippable items like pretzels or vegetables for a convenient, portable snack. Made primarily from chickpeas, tahini, and olive oil, they offer a plant-based source of protein and fiber. They're popular for both everyday snacking and lunchboxes.

Sensible Portions Veggie Straws

Sensible Portions is known for snacks like veggie straws and chips made from potato, corn, and vegetable powders. Their products offer a crunchy, flavorful alternative to traditional chips while being perceived as lighter or more balanced. They come in a variety of flavors and portion sizes suited for on-the-go snacking.

Sigonas Fruit for Thought

Sigona’s Fruit for Thought offers fresh and dried fruit snacks curated from high-quality, often locally sourced produce. The brand focuses on simple, natural ingredients with no unnecessary additives, highlighting the natural flavor and nutrition of fruit. Their products are commonly found in high-end grocery and specialty markets.

Skinny Pop

SkinnyPop is a popular popcorn brand known for its simple ingredients—typically just popcorn, oil, and salt. It’s positioned as a lighter, better-for-you snack that’s low in calories and free from artificial additives. The brand offers a variety of flavors while maintaining its focus on clean labeling.

Snyder's Mini Pretzels

Snyder’s of Hanover produces a wide range of pretzels, including traditional twists, sticks, and flavored varieties. Known for their hearty crunch and bold seasoning options, they’re a staple snack for both everyday eating and entertaining. The brand has a long-standing reputation for quality pretzel craftsmanship.

Sun Chips

SunChips are multigrain chips made from a blend of whole grains like corn, wheat, and oats. They have a distinctive wavy shape and a hearty texture, offering a more robust alternative to traditional potato chips. Available in flavors like Harvest Cheddar and Garden Salsa, they balance flavor with a whole-grain base.

Think Jerky

Think Jerky produces premium jerky made from high-quality, humanely raised meats and crafted with chef-inspired flavors. Their products are positioned as a cleaner, more natural protein snack with fewer artificial ingredients than traditional jerky. The brand emphasizes transparency, better sourcing, and elevated taste.
